Come celebrate some of the **important wins** we have made as a **union across BC!**

SEIU Local 2 continues to be successful in organizing and winning strong union contracts in many industries and sectors, including janitorial workers, golf course workers, brewery and liquor store workers, security workers and more! This is definitely something to celebrate as we keep fighting and pushing forward together.

Immediate Family and Children are welcome. SEIU Local 2 will provide food (including vegetarian and vegan options), snacks, desserts, and soft drinks. Feel free to bring any other snacks to share among your group.
